Jan - June 1958

Chief, Management Staff

26 June 1958

Acting Chief, Records Management Staff

Weekly Report for Week Ending 25 June 1958

1. Contributions

a. Intangible

25X1X8

- (1) Completed the records management audit, [REDACTED] Secretary/OW, with the following results:
Revised the Records Control Schedule; retired 16 cu. ft. of inactive records and destroyed 25 cu. ft.; released three safe cabinets with a replacement value of \$1,234; provided additional needed floor space; converted five separate files to the subject-matter system; replaced space consuming pressboard folders with standard 11 point kraft ones; and adjusted stock levels of finished publications at the Records Center to reduce stock kept in current office space of the Secretariat.
- (2) Received 694 cu. ft. of inactive records at the Records Center from eight offices. This volume was considerably higher than the weekly average of 138 cu. ft. since 1 January. Of the total received, 496 cu. ft. came from OCS and DD/P. Disposed of 102 cu. ft. of records at the Center. The weekly average disposition rate is 213 cu. ft.
- (3) Approved and designed seven new and six revised forms. This exceeds the weekly average by three forms.

b. Intangible

- (1) Recommended disapproval of Employee Suggestion 53-522 on the grounds that the proposed coded 3" x 7" cable form would complicate cable handling and fail to save file space.

2. Assignments - Active

- a. Forms in Process - Twelve new and 25 revised items are under review. Twelve of these are for the annual printing of the [REDACTED] questionnaire, for which delivery has been requested by 25 July.

FOIAb3b1
